

Treasury Department,

OFFICE OF COMPTROLLER OF THE CURRENCY,

Washington, April 26th, 1884.

Hon. Horatio G. Purchard,
Director of the Mint,
Dear Sir:

From the date of my appointment in
1867 as Deputy Comptroller to the passage of the coin-
age act of 1873, about six years, in addition to my
regular duties I conducted the correspondence with
the Mint and branches, thereby saving to the govern-
ment the appointment at least of an additional clerk
of class four. As a souvenir of my official work I
would be glad to have a set of the presidential and
such other medals as I may select at the mint, struck
in bronze, and you will very much oblige me if you
will write a letter to the Superintendent of the Mint at
Philadelphia authorizing him to furnish me with
such medals as I may select, at the cost price thereof.

Very respectfully yours.

Dear Mr. Knowles,

Superintendent of Mint,
Philadelphia, Pa.

My dear Sir:-

I have duly received
your letter of the 16th instant
and thank you for your
kindness. You may
have prepared for me a
set of the Presidential
medals and of the Directors
of the Mint. -

I believe you also

have the seal of the
United States - I would
also like a copy of that
and an estimate of the
cost of these medals,
and your opinion, if you
can give it, in reference
to others which I could
select, as I have very little
opportunity of judging of
their value - I was in hopes
you would call in and see
me where you were here the
other day - Please do so
as soon time, Very truly yours,

Edward Karr
